**FREE SCHOOL MEALS UPDATE
AND THOUGHTS FOR EASTER**

Dear Carers and Parents

First of all, for those eligible for free schools meals, thank you for your patience. Yesterday, Wonde, the company who are providing the service on our behalf, finally confirmed that we are good to go, and the promise was that you should be receiving your e-vouchers within the next 24 hours!

Finally..... 😊

Please let us know by email when you get them, and then we can all start to relax a bit.

I'm hoping you have been able to settle into some sort of routine and are finding ways to cope. I'm asking staff to stay in touch with you, so please use the opportunity to share your thoughts and feelings if it helps at all.

Every time staff come across a good resource or activity or idea, they share it amongst themselves so that each class leader can then share it with you.

We are making progress using Google Classroom, and this will be of real benefit for the future.

Headteacher: Mr R Elms

Whilst I appreciate we are now in the 'holiday' period, keep dipping into the work that has been provided for you. Little bits on a regular basis will give your children something to do that will also be educational.

We are now approaching the Easter weekend. We continue running one group for children of key workers, and staff have volunteered on a rota basis to spend a day supporting the children.

I repeat – please stay in touch. Use the email address of your class leader to share what you have been doing and to ask for assistance if you feel there is something we can help you with.

We take one day at a time, and where there is a beginning in life there will always be an end. We just have to find the strength, patience and tolerance to get there intact!!!

Best wishes for Easter.... Please follow the government advice and stay at home. We've come this far, let's make sure we do the job properly, and do it once!

Thinking of you all

Robin Elms
