

8th January 2021

Dear Parents and Carers,

I hope you and your families are all safe and well.

By now you should have all been contacted to discuss how your child's educational needs will continue to be met during the current national lockdown. For those children working from home, teachers will aim to make contact on a daily basis to ensure that learning is fully supported.

All of our children are different and staff will try to tailor their learning to reflect this. For some children it might be that video technology e.g. Google Classroom and/or Google Meets is used to help deliver learning. For others learning may look a little different. This will be very much dependent on individual needs and the age of the pupil. Ultimately, class teachers are best placed to make these judgements and will explain their rationale to you.

If there is anything at all that you are unsure about please feel free to contact school and we will do our very best to help you during these challenging times.

Kind Regards

M Doyle
